

Wren ★ Feathers

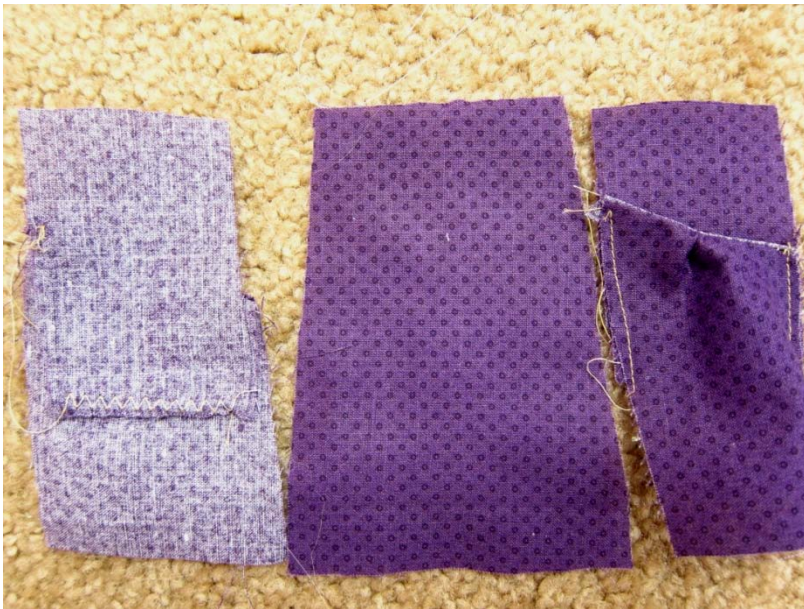

Fall Separates: Gathered pocket skirt

As always this pattern is © by me (Jennie Bagrowski) and is for your personal use only, you MAY share it by linking to this blog, you may NOT sell it. If you sell things made from this pattern I'd appreciate credit for the pattern design. ☺
I assume you have basic sewing knowledge and the pictures should suffice, but if you need help please email me!

Gather top of SKIRT SIDE to match top of pocket lining. Sew and turn to back. (Note mine was done opposite to show the contrast. You should be sewing RIGHT SIDE to RIGHT SIDE.)

Zigzag the BACK OF POCKET to the pocket piece at the bottom and baste to SKIRT SIDE at the sides (tan stitching)

Sew the sides to the center front piece. Sew the back to the whole front piece at one side. Hem. Fold and press waistband and attach long edge of waistband to skirt at top gathered edge as a casing for elastic. Insert elastic and sew up side seam. If you don't like elastic, you can also gather it onto a waistband 1" wider than your doll's waist and close at the side with Velcro.

This skirt fits tightly; make sure your seam allowances are as narrow as possible! NOTE ABOUT WAISTBANDS: IGNORE THE PATTERN PIECES. Cut your own after sewing, 1.5" by the skirt width (roughly 14" for AG and 10" for slim)
