I assume you have basic sewing knowledge and the explanation should suffice, but if you need help please email me!
Quarter inch seams allowed unless otherwise specified.

Make this little flared hat in fabric to match your dress, or a bright solid and use it for spring and summer. Eliminate the lining and bottom seam allowance and make it in felt for fall.

Sew sides of main and lining together, leaving one end open. Sew together at bottom edge, clip curves. Open, and fold so it's kind of like a tube, sew up back edges of both pieces together. Turn so lining is outside, and sew both raw edges together to crown. Clip curves, turn, steam with iron to press. Add ribbons/bows/flowers/etc. to decorate. For maximum versatility, make a neutral color hat with decorations that can be pinned on so you can change the look quickly.

Need it for another size head? Use the chart below to copy at a different size.

IMPORTANT!

- Make sure the original printed at the correct size first before you resize it!
- You will need to redraw your outer (cutting) lines back to .25" or the pieces may not match up or fit correctly.
The inner (seam) line is the one the fit is based on.

9"	109%
10" (25.4cm)	121%
