Stenciled tea dress

As always this pattern is © by me (Jennie Bagrowski) and is for your personal use only, you MAY share it by linking to this blog, you may NOT sell it or upload it to any site without my permission. If you sell things made from this pattern I'd appreciate credit for the pattern design. ☺

If you downloaded this elsewhere it was stolen from: <http://jenwrenne.wordpress.com>

I assume you have basic sewing knowledge and the explanation should suffice, but if you need help please email me!
Quarter inch seams allowed unless otherwise specified.

This dress is sized to fit 14" Kish Chrysalis or MSD flat torso BJDs. For those of you that always whine, "Why didn't you size this pattern for MY favorite doll?!" you can try copying this at 118% for Kidz n Cats. For AG, copy at 138% and then you'll need to shorten the skirt and at the bottom of the bodice.

Skirt can be made gathered or pleated. There are some longer stencils suitable for a skirt border if you're gathering.

Pleated skirt tutorial here: <https://jenwrenne.files.wordpress.com/2014/11/ldij-1-school-uniform.pdf>

Cut stencil from freezer paper, iron onto fabric. Paint.

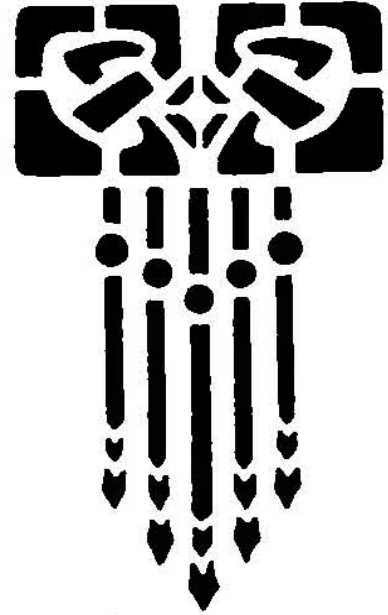

The stencil images in this pattern are vintage designs from:

The originals on that site are in the public domain, these have been digitally cleaned/modified/resized by me. They are for your personal use only, not to be sold.
